Steve and Katie:

We will accept your letter dated June 24, 2016 as constituting supplemental disclosures for only these two witnesses (Dr. William Dooley and Dr. Herman Jones), and only as to those opinions stated in the letter. In other words, as to only these opinions from only these witnesses, we will agree not to object on the basis they constitute undisclosed expert testimony. We reserve any other objections we may have to the testimony.

Based on my previous communications with Steve, then, I understand I am at liberty to advise the Court that you do *not* oppose our application for one additional week to identify our experts and file their reports. Please confirm ASAP.

Yours very truly,
